# How to Play

## Materials needed:

- die
- pawns for players
- paper
- scissors

## Prep:

- Print the pages onto copy paper or cardstock.
- Cut out the cards.
- Place the cards face down in the space that says "Bossy R Cards."

## How to play the game:

1. Place the pawns at start.
2. Roll a die and move that many spaces.
3. Draw a card and read the word.
4. If the word has the same r-controlled vowel as the one on your space, you get to move one space forward.  
If it does not, you stay on the same space.
5. Place the card in the discard pile.
6. Continue moving around the board until one player reaches the end.
