

THANK YOU FOR DOWNLOADING!

These printables are for classroom and personal use. You are welcome to save this file to your computer and print as many copies as you'd like for your classroom, home, or daycare. Please do NOT share the link to this page with others, claim the file as your own, sell it to others, or upload it to any other website where others can download it. By using this printable, you agree that you will not copy or reproduce this file for any reason except for your own personal, non-commercial use.

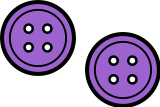

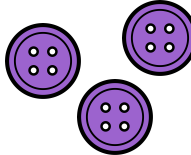

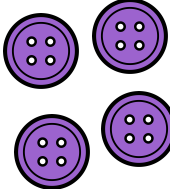

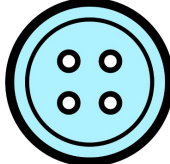

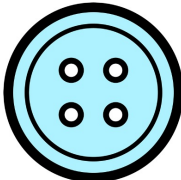

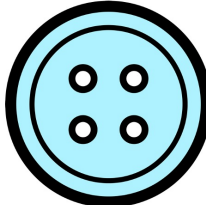

There are three versions of the calendar in this file. Each version uses different clip art. If you want to make patterns with the pictures on the cards, you could use all three of the cards.

The clip art used in this printable are from the following:

Directions: Write a number in the center column. Show the number using manipulatives (buttons). Then show one less and one more with the buttons. Make this chart reusable by laminating it and writing with a dry erase marker.
