How to Play the Game

Materials needed:

- die
- pawns for players
- card stock paper
- laminator (optional)
- scissors

Prep:

- Print the pages onto card stock. I recommend colored card stock for the cards to make sure students won't be able to see the words through the backside of the cards.
- Laminate the game board. (optional)
- Cut out the cards.
- Place the cards face down in the center or next to the gameboard.

How to play the game:

1. Place the pawns at start.
2. Roll a die and move around the board.
3. Read the word you land on.
4. Choose a card, flip it over, and see if it has the same ending sound. If it does, keep the card. If it doesn't, place the card back.
Example: You land on floss and you flip over the card pass. Since they both have 'ss' as the ending sound, you keep the card.
5. Continue moving around the board until one player has five cards.
6. The first player to have five cards is the winner.
