

Thank you for downloading!

Thank you so much for downloading this printable! I hope you find it helpful!

This printable is for personal or classroom use only. That means you cannot copy, reproduce, or change any content from the download, except for your own personal, non-commercial use. You may **not** redistribute the contents of my downloads in whole or in part, for any reason. Please do not link directly to the PDF online or share this on Dropbox or another shared website.

Directions:

1. Print on 8.5x11 paper. Use card stock to make it more durable.
2. Cut the cards apart.
3. Have the students count the watermelon seeds and clip a clothespin to the correct number. If you don't have clothespins, students can circle the number.
