## THE *printables* CLUB

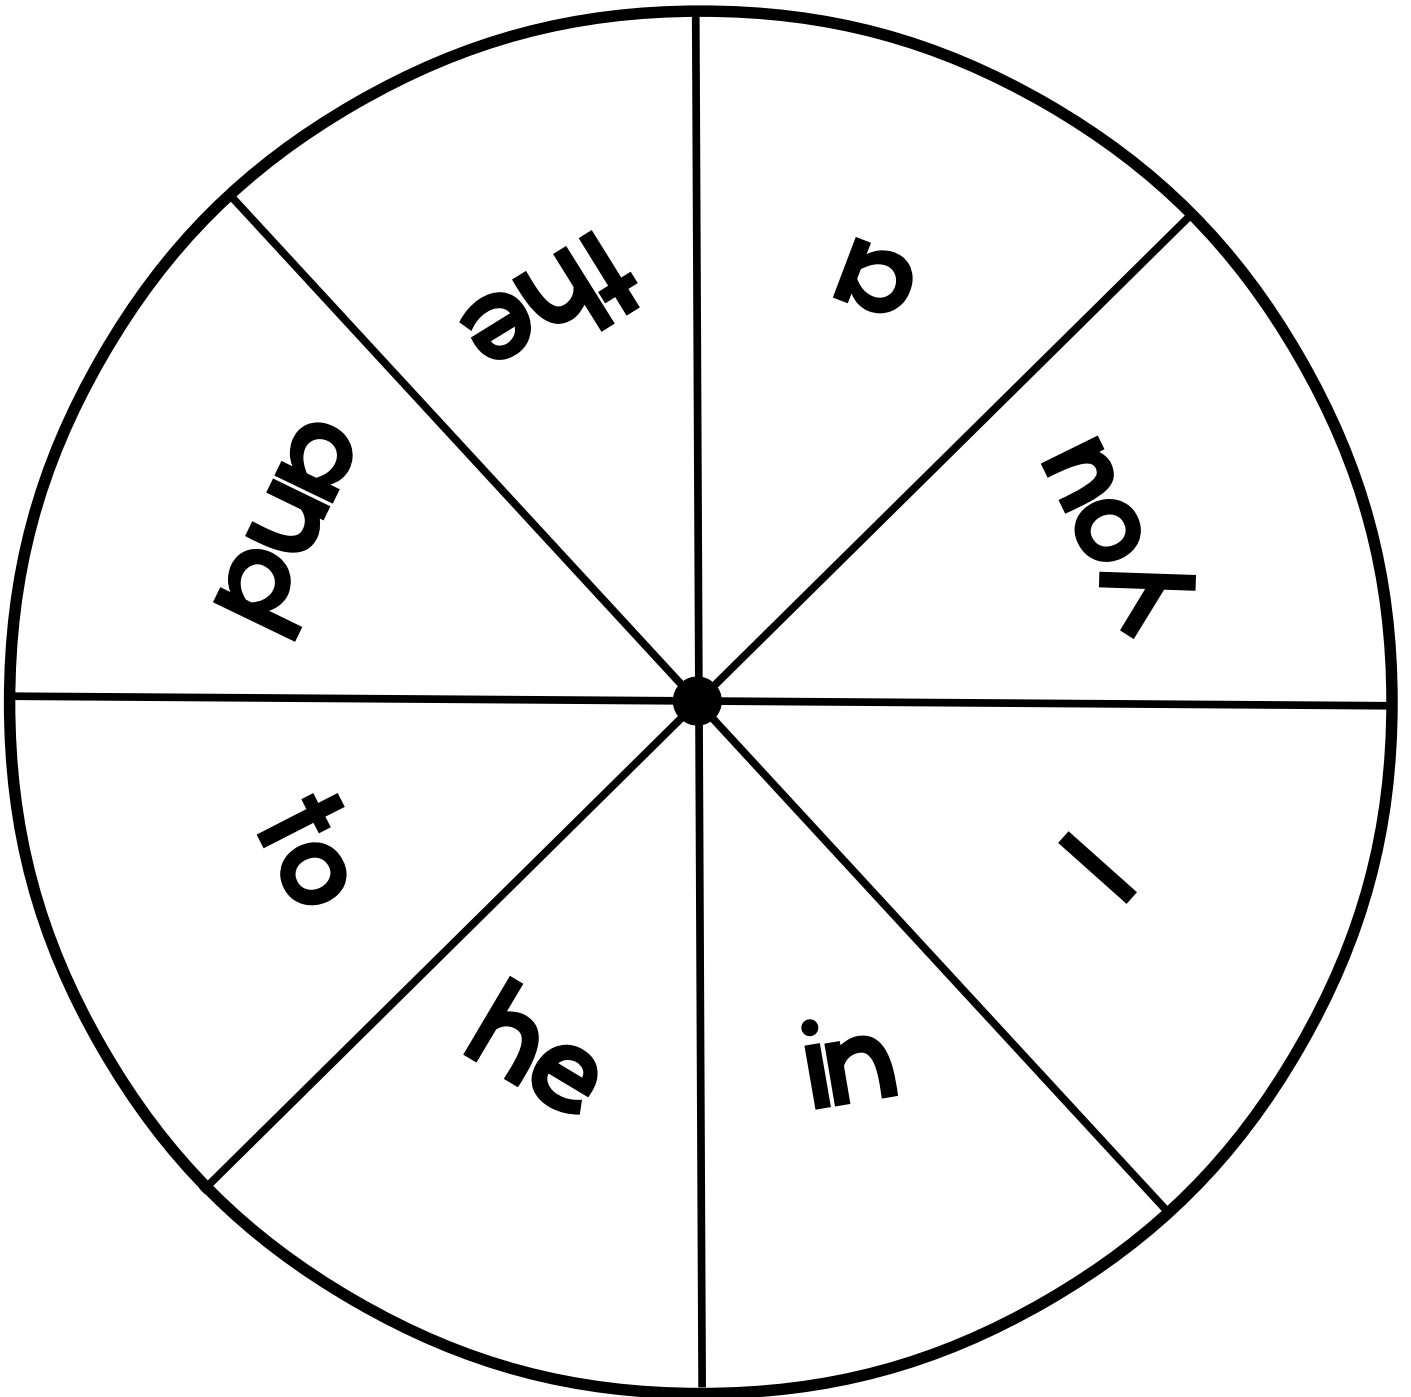

### Game Directions:

1. Give each player a copy of the sight word apple tree and a spinner. The spinner needs to have the same sight words on it.
2. Take turns spinning. Whatever word it lands on, is the word you cover up on the sight word tree. We used red pom poms to cover up the words.
3. If a player lands on the word already covered, they don't need to do anything and it's the next player's turn.
4. Keep playing the game until all the words are covered up.
5. Make sure to say the words aloud when you land on the word. If they can't read it, you can help them.
