Set up: Make the dinosaur spinners using a paper clip and brad. (Spinners are on page 8.)

Directions: You're on a mission to help the dinosaurs get to their eggs and save them! Players will take turns spinning the spinner and landing on different problems. Each time you land on a problem, you must solve it to move forward. Use the recording sheet for the problems. Once the problem is solved the next player takes their turn. The first player to successfully help the dinosaurs reach their eggs and save them wins!
